

We are Great Lakes, your federal student loan servicer

Connect with us for success.

Sign up for account access on mygreatlakes.org to learn more about your student loans, repayment options, and how to contact us for help.

We've been assigned by the U.S. Department of Education to help you navigate the world of student loans.

See how access leads to success.

With an account on mygreatlakes.org, it's easy to get important news about your loans, make payments, manage your loans, and access help you may need to successfully repay your loans. Sign up now!

We'll be working together for a while.

Let's keep in touch.

Get to know us! As your servicer, we're here to:

- Help you understand your loans.
- Keep you up-to-date with information about your loans.
- Assist you when it's time to pay them back.
- Provide resources, tips, and guidance to support you at every stage in the loan life cycle.
